Fundraising Call/Appeal

Dear parents, ex-alumni and well-wishers,

Mater Dei Centenary Celebrations (MDCC) is our joint venture, an opportunity to consolidate resources to make this occasion a momentous one.

We have planned developmental projects during the year to develop a Centenary Pack as a resource for cross-curricular activities, reflecting quality and holistic education, as well as an Auditorium – cum- multipurpose Hall.

Also planned by the MDCC Committee, are activities to celebrate one hundred years with the active participation of ex-alumni and well-wishers in Goa and abroad. For transparency and accountability a Centenary Trust Fund is being established to be used only for the purpose of MDCC.

Would you please contribute any amount you feel adequate.

Any donation received will be recorded and a receipt with the Mater Dei stamp and signature will be issued.

To facilitate the recording process would you kindly fill in the slip below giving your name, address, phone, mobile, e-mail, amount of contribution, suggestions if any, date and your signature.

Thanking you

Ms. Cleta H. Lobo
